Re: Transfer Rocanville Corporation to Allroc Fine
Aggregates - Black Rock Quarry Operations.

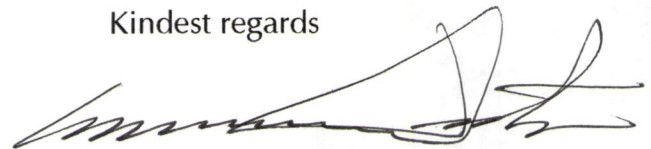

Dear Tom:

I am writing to advise you that the Transfer of Notice of Intention form has been prepared but delayed awaiting Mert Hamilton's signature on behalf of Rocanville, Corporation. We anticipate receiving the final executed copy with a few days and will forward same immediately upon receipt.

We have elected to amend the Large Mining Permit to permit work to be conducted in stages which would correlate with the necessity of increasing the reclamation bond with each stage. This amendment is also in preparation and will be forwarded for your agency approval as soon as complete.

Thank you in advance for your patience in this matter.

Kindest regards

W. David Weston
